

*Translating the Promise of
Technology into Performance*

Our Value Proposition

CSIA is committed to the business development of control system integration companies and their implementation of best practices in order to provide a healthy, low-risk channel for the application of technology to their industrial clients.

Our Mission/Objectives

- Develop standards for sound business practices.
- Assist members in developing effective business skills.
- Provide market intelligence and marketing skills training.
- Provide a forum for members to discuss common business issues.
- Define the role and promote the professional image of CSIs to clients, suppliers and others.
- Represent CSIA members to trade, technical & industry groups.
